

ISAAC HERNANDEZ

PROFILE

I am a full stack web developer who enjoys discovering how things work and seeing their real-world application. Whether it comes to the sciences or puzzles, I have a passion for analyzing and problem-solving. I hope to bring my attention to detail and work ethic to the work environment.

SKILLS

Proficient- HTML, CSS, JavaScript
Knowledgeable- React, Node.js, Express.js
Familiar- SQL, PostgreSQL, Jest, Git, Webpack

PROJECTS

TWICE BUT NICE | Fullstack Developer | [GitHub](#) | [Render](#) | October 2022

- A fully functional eCommerce website designed to sell secondhand clothing
- Worked remotely with a team of three others and completed the website before the deadline
- Helped develop the backend and implement the administrative features for the website
- Technologies used: JavaScript, Node.js, Express, PostgreSQL, React.js, HTML, CSS

PARROT | Fullstack Developer | [GitHub](#) | [Render](#)
April 2023

- A "parody" social media website of Twitter that allows users to post and message each other
- Users could like, parrot, and comment on posts as well as follow each other
- The website uses an API that I made with the use of PostgreSQL
- Technologies used: JavaScript, Node.js, Express, PostgreSQL, React.js, HTML, CSS

Game Corner | Fullstack Developer | [GitHub](#) | [Render](#)
May 2023

- Created a website that holds a variety and expanding collection of games such as tic-tac-toe and hangman
- Users can choose from different one-player or two-player games against each other or a computer
- A simple and clean design was used for the front-end for a retro look
- Technologies used: JavaScript, HTML, CSS, React, Node.js

WORK EXPERIENCE

WAREHOUSE WORKER, POWERTEC (Contract)

October 2022–January 2023

- Picking and packing over 130 delivery orders a day from a large catalogue of inventory
- Ensuring the right item is shipped without damage or mislabeling
- Collaborating with 7-8 team members to get deliveries shipped on time before the deadline

WAREHOUSE WORKER, AL'S ROOFING SUPPLY

July 2017–January 2022

- Fulfilled 4-5 larger orders each day, ensuring each order was accurate and all materials were included
- Performed inventory audits to report on supply needs for the organization and that inventory was on-hand when needed

EDUCATION

BACHELOR'S DEGREE IN HEALTH SCIENCE, CALIFORNIA STATE UNIVERSITY EAST BAY
